Dated 27/12/24 Deputy Director

Respected Sir,

P. Circulate Greetings from the Lal Bahadur Shastri National Academy of Administration, Mussoorie!

The Academy is organizing a 5-day in-service training program, "Generating Inclusive Growth: Role of MSMEs," from 17th – 21st February 2025. This program, part of DoPT's in-service training calendar for IAS Officers, is designed to enhance the capacity of civil servants to address the challenges in the MSME sector and foster inclusive growth through effective policymaking and implementation.

The course will delve into the MSME landscape in India, exploring its structure, challenges, and opportunities. Participants will gain a comprehensive understanding of key policy frameworks, institutional mechanisms, and support systems that enable growth. The program will also focus on critical areas such as financing and market access, skill development, quality enhancement, and promoting export potential. Additionally, participants will be exposed to global perspectives and international best practices, enabling them to draw valuable lessons for application in the Indian context.

Through a mix of thematic discussions, case studies, and interactive sessions, the program will equip participants with tools and knowledge to address sectoral challenges effectively. It emphasizes administrative sensitivity to MSME needs, interdepartmental convergence, and strategic future planning, with a focus on leveraging technology and innovation.

The program is primarily designed for IAS officers particularly those working in Commerce & Industry, but it is also suitable for State Civil Services and other senior officers engaged in related fields.

We request you to kindly nominate officers by 25th January 2025. Interested officers may register for the program using the registration link available on www.lbsnaa.gov.in.

With warm regards

Yours sincerely,

(Chandrasekar. S)
