To,

The Chief Secretaries (All States & UTs)

Sub: Invitation letter to attend training programme on "Post Disaster Needs Assessment (PDNA) & Long Term Recovery"

Dear Madam/Sir,

National Institute of Disaster Management (NIDM) is a premier Institute of Excellence for training and research on disaster risk mitigation and management in India. It has been working in various fields of Disaster management one of which Post Disaster Needs Assessment. Disasters and extreme events such as floods, droughts, cyclone, dust storms, forest fires, pest attack causes massive damage across different sectors of economy. In the aftermath of disasters, affected countries need to invest significant resources to address recovery needs. These should be guided by a comprehensive assessment that estimates damages and losses, and identifies the needs of the affected population.

2. A PDNA looks ahead to restoring damaged infrastructure, houses, livelihoods, services, governance and social systems, and includes an emphasis on reducing future disaster risks and building resilience. Considering the importance of PDNA for effective disaster management, NIDM shall conduct a five days collaborative training programme on "Post Disaster Needs Assessment (PDNA) & Long-Term Recovery" during January 17-21, 2021, in collaboration with Mahatma Gandhi State Institute of Public Administration (MGSIPA), Govt. of Punjab, Chandigarh.
3. The indicative list of participants for the training should include officials, working in Health, Education, Revenue, Power, Urban Development, Planning, Tourism, Finance, Transport, Housing departments, Disaster Management Department, SDMA's, DDMA's, NDRF, SDRF and officers from District Administration, Department of Agriculture- Executive and Assistant Engineers, Irrigation-Executive and Assistant Engineers Housing - Executive and Assistant Engineers, Junior engineers, Health - CMO's/Deputy CMO's and Medical Officer PHED - Executive and Assistant Engineers, Junior engineers, Food and Civil Supplies -
