Dated 17/01/2018

Subject: Implementation of Content Management Framework (CMF) in all Government websites.

Dear Administrative Secretary,

This is to bring to your personal attention that the Hon'ble Supreme Court of India vide its judgment dated 15.12.2017 passed in WP(C) No. 243 of 2005 has directed to ensure compliance with the AIC (Accessible India Campaign) deadline of making at least 50% of Central and State Government websites and public documents compliant with accessibility standards by March 2018. This judgment seeks to enforce the provisions of "Rights of Persons with Disabilities Act 2016" which came into force on 19th April 2017 and mandates that the Web content be usable to a wider range of people with disabilities, including blindness and low vision etc.

In order to comply with the orders of Hon'ble Supreme Court of India the Govt. of India has initiated the Content Management Framework (CMF) project with a view of standardization and improvement in presentation and content delivery of websites of Government Departments. The Department of empowerment of persons with Disabilities (Divyangjan), Ministry of Social Justice and Empowerment, Gol has entrusted M/s R V Solutions Pvt. Ltd. with the responsibility of redesigning websites of the Government departments as per Web Content Accessibility (WCAG 2.0 (A, AA)) and Guidelines for Indian Government Websites (GIGW). In the first phase, 69 websites of Haryana Government departments have been taken up. The summary status of various Haryana Government websites along with steps involved in redesigning these websites, activities required at the end of the departments and contact person details are enclosed.

The website of your department has already been developed or is under development by the company after your initial approval given to the RV Solutions Pvt. Ltd. You are therefore, requested to check the developed website urgently, get any required changes incorporated and give the required User Acceptance Testing (UAT) approval so that your redesigned website may be made online at the earliest. After getting the website of the department developed as per GIGW/WCAG2.0 through RV Solutions Pvt. Ltd. the department should ensure to keep the website updated on day to day basis and ensure to upload the bilingual (Hindi) contents to the website through Web Information Manager of your department.

Yours sincerely,

(D.S. Dhesi)

All Administrative Secretaries
