As you are aware the Lal Bahadur Shastri National Academy of Administration (LBSNAA), Mussoorie is the premier training institution for the Civil Service Officers in India. It conducts a common Foundation Course for entrants to the All India Services; Group 'A' services and the Royal Bhutan Service followed by professional training for the regular recruits of the Indian Administrative Service (IAS) and members of the Royal Bhutan Service. The Academy also conducts in-service and Mid-Career Training Programmes (MCTPs) for members of the IAS and Induction Training Programme for officers promoted to the IAS from State Civil Services. In addition, workshops and seminars on innovation in administration, disaster management, leadership, policy and governance-related issues are held from time to time.

IAR

It has been the endeavour of the Academy to showcase the best practices and innovations in governance and incorporate them in our training schedule. We believe that the state governments across the country are innovating with the governance to improve service delivery and outcomes. LBSNAA is in a unique position to provide a pan-India platform for dissemination and learning from these initiatives.

As such, we would be grateful if the best practices and innovations in governance from Haryana can be shared with the Academy. I will request you to send us details of officers who have been undertaking these initiatives and brief of such initiatives from your state, so that they can be invited for making a presentation in the training course conducted by the Academy.

near yours

Yours sincerely

Sanjeev
