Subject:—Providing of re-caning work to blind in Haryana.

Sir,

I am directed to refer to Haryana Government letter No. 24/17/80-3GSIII dated the 23rd April, 1980 which provides that blind persons who know the work of re-caning chairs may be given maximum facilities to earn their livelihood and all the Government offices should entrust this work to the blind in preference to others if the rates offered by them are competitive.

2. It has been decided to launch a special drive during 1981, the International year of Disabled Persons, to provide jobs to the maximum number of blind persons. With that end in view it is suggested that the re-caning of chairs should be got done only through blind persons and, where there is sufficient workload, regular post of chair-recaner may be created and filled up by a suitable person from among the blind. It is requested that necessary action may be taken accordingly during the current year and a quarterly report be sent to the Government within 10 days after the close of each quarter.
