Subject: - Verification of character and antecedents of candidates for appointment under Government of India - authorities to be addressed.

Attention is invited to this Department's O.M. of even number dated the 20th June, 1980, wherein it has been laid down that verification rolls in respect of candidates living within the city limits of Bombay, Calcutta, Madras, Ahmedabad, Bangalore, Trivandrum, Hyderabad as well as Delhi should be sent to the respective Commissioners of Police for verification. A suggestion has been made that in the case of candidates living in Delhi and other cities where it is felt that the Commissioners of Police are personally unable to countersign the verification reports due to large number of verification reports, there may be no objection to the same being countersigned by an officer not below the rank of Deputy Commissioner of Police duly nominated by the State Government(s) for this purpose. The suggestion has been considered in this Department and it has been decided that there is no objection to the reports being countersigned by an officer not below the rank of Deputy Commissioner of Police appropriate duly nominated by the State Government(s) for this purpose.

2. The State Governments, are, therefore, requested to issue suitable instructions in this regard.
