

Subject: - Obtaining comments of Finance Department before submitting Cabinet Memorandum.

Will All the Administrative Secretaries to Government Haryana, kindly refer to the subject noted above?

It has been observed that some cases are placed before the Council of Ministers without prior approval of the Finance Department due to which thorough examination of the proposal can not be done at the level of Finance Department. Such practice undermines the role and responsibility of Finance Department.

Administrative Departments are directed that the cases in which consultation/approval of Finance Department is required before placing them in the Council of Ministers, should be sent to Finance Department well in advance so that proper examination can be done at the level of Finance Department. This condition may be relaxed only in cases of extreme urgency and that too with the prior approval of Hon'ble Chief Minister.

This may be treated as most urgent and followed strictly.

Under Secretary Cabinet
for Chief Secretary to Government, Haryana.

To

All the Administrative Secretaries to Government Haryana.

U.O.No.10/11/2011-2Cabinet

Dated the 30th June, 2017.
