such a day, he shall nonetheless be paid for such day the wages he would have drawn had not a holiday been granted to him on that day. . . .

(3) If an employer contravenes the provisions of sub-section (1) or sub-section (2), then such employer shall be punishable with fine, which may extend to five hundred rupees.

(4) This section shall not apply to any elector whose absence may cause danger or substantial loss in respect of the employment in which he is engaged."

2. The above provisions require that all the electors who are employees of establishments and shops including those which work on shift basis shall be granted a paid holiday on the day of poll in the Constituency where a General/bye-election is to be held. Further, there may be cases where a person is ordinarily resident of the Constituency and registered as an elector, may be serving/employed in an industrial undertaking or an establishment located outside the Constituency having a general/bye-election. It is clarified that in such a situation, even those electors including casual workers working outside the constituency concerned would be entitled to the benefit of a paid holiday extended under the Section 135B(1) of the Representation of the People Act, 1951.

3. The daily wage/casual workers are also entitled for a holiday and wages on poll day as provided in Section 135B of the R.P. Act, 1951.

4. The Commission desires that suitable instructions should be issued to all concerned and a copy thereof be endorsed to the Commission for its information and record.

5. The receipt of this letter may please be acknowledged.

Yours faithfully
