Sub: Faculty positions in LBSNAA Mussoorie

Dear Mr. Dhesi,

Greetings from Mussoorie! You are aware that the faculty of the Academy is drawn predominantly from IAS officers from different state cadres. We have currently two positions of Joint Director (in rank of Joint Secretary to Government of India), five positions of Deputy Directors (in rank of Deputy Secretary/ Director to Government of India), and three positions of Assistant Directors vacant or likely to fall vacant in the next three months.

2. The faculty in the Academy is expected to comprise a fair mix of officers drawn from different parts of India in order to capture the diversity of the country and variations in local administrative systems. While we had both IAS and IPS officers from Haryana cadre in our faculty in the past, we have had no representation in the past decade.

3. I would be grateful if you could suggest name/s of outstanding IAS officers from your cadre for being considered against the above said vacancies. For Joint Director, we would be looking at an officer from 1990 to 1998 batch who is empaneled as Joint Secretary to Government of India. For Deputy Directors, our zone of consideration will comprise direct recruit IAS officers from 2001 to 2008 batch. For Assistant Director, we would be happy to obtain the services of a State Civil Service Officer in the pre-revised Grade Pay of either 6600/- or 7600/-.

4. I am also asking our faculty members to come and call on you during their visit to the state in the latter part of January or early February 2017. I look forward to your reply and support in this regard.

Regards,
Yours sincerely,

Upma
