D.O. No. 12/40/2012-PPP-Part-I

10<sup>th</sup> May, 2022

Dear Sir,

The Department of Economic Affairs has developed PPP toolkits which are web-based resource designed to improve decision-making and quality of PPP projects in infrastructure. However, the use of these toolkits was limited in the past few years.

2. The Department of Economic Affairs in collaboration with Foreign, Commonwealth and Development Office, UK, is organising a **two-day online workshop on 24<sup>th</sup> & 25<sup>th</sup> May, 2022** (tentative agenda attached) with an objective to sensitize and train the government officials in using these PPP toolkits.

3. Therefore, it is requested to nominate officers (in the format at Annexure – I) from your State engaged in Infrastructure/PPP Project Development to attend the aforesaid online Workshop.

4. The presence of these officers and their interactions with other infrastructure-stakeholders will serve to enhance knowledge sharing and help realize the vision of modern Infrastructure in India.

5. The link for the online workshop will be communicated shortly. The nominations as well as any further queries may please be sent to Dr. Kartik Agrawal, Deputy Director at Email Id: fca.kartik@gov.in & Telephone No.011-2309 5150.

16/5/22 With Warm Regards

16/5/22

16/5/22

Shri Sanjeev Kaushal,  
Chief Secretary,  
Government of Haryana,  
Chandigarh.

Training Branch  
Diary No. 51322  
Dated 16-05-2022

Yours Sincerely,

(B.Purushartha)

Encl. as above.

## **Draft Agenda for Workshop**

<b>Background</b>	<p>Based on a strong past track record, the Government of India (GoI) has set an ambitious target to become a \$ 5 trillion economy by 2025. Building high quality infrastructure and overcoming the infrastructure deficiency is considered critical to realize this vision. In India, PPPs have been an important mode of development, upgradation, and maintenance of infrastructure sector.</p> <p>However, PPPs are not suitable for all types of projects and many sectors have encountered problems with implementing PPP projects effectively. Thus, it is essential to identify that which project can be implemented on PPP mode particularly at an early stage. To address these issues Department of Economic Affairs has undertaken several strategic initiatives such as development of PPP Toolkit, preparation of guidelines, development of MCAs, etc.</p> <p>PPP structuring Toolkit is a web-based resource that has been designed to help improve decision-making for infrastructure PPPs in India and to improve the quality of the infrastructure PPPs that are implemented in India. The Toolkit is for use by PPP practitioners across India in both the public and private sectors. The toolkit covers five infrastructure sectors- State highways, Water and sanitation, Ports, Solid waste management, Urban Transport. Other toolkits such as PPP Post-Award Contract Management Toolkit, Value for Money (VfM) toolkit, and Framework for recognition, valuation and reporting of contingent liabilities have also been developed to assist in the PPP decision-making process.</p> <p>The workshop is intended towards awareness building and guidance on using the tools by government sector agencies and officials.</p>
<b>Objective</b>	Provide an overview of various PPP toolkits and guidance materials developed for PPP practitioners
