Subject : Verification of character and antecedents of candidates selected for appointment to Civil posts under the Government of India.

Sir,

I am directed to refer to Haryana Government letter No. 52/21/82-S(I), dated 13-5-1985 on the above noted subject and to say that the verification rolls whenever referred to you by Govt. of India, should be returned to them immediately after the requisite verification and a quarterly report is also required to be sent to the Secretariat in the prescribed proforma in respect of the pending verification rolls. It has come to the notice of the Government that character and antecedents rolls sent by the various departments of Govt. of India for different posts are not being cleared timely and the offers of appointment to the candidates are delayed unnecessarily as a result thereof. I am to request you again that personal attention may kindly be given in order to ensure the verification of rolls referred to you by various authorities and the same are returned to them after necessary verification. A quarterly statement may also be sent as per Govt. instructions.

Yours faithfully,
