

No. 62/41/98-6GSI

From

The Chief Secretary to Government, Haryana.

To

All the Deputy Commissioners in Haryana.

Dated Chandigarh, the 21 July, 1998.

Subject :—Ban on use of Welding equipment along Highways.

Sir

I am directed to invite your attention to the demi-official letter dated 29-10-97, No. 3315 written by Shri L. M. Jain, IAS, Principal Secretary to Chief Minister, Haryana, vide which you were requested to ensure that in future welding work was to be carried out within the four-walls of regular workshops within the municipal limits in your districts and no nuisance was to be allowed on the road side.

However, it has been noticed by the Government that these instructions have not been complied with and in several districts such welding work continues to be carried out along the road side which has become a traffic hazard.

I, therefore, request you once again to look into the matter personally and ensure compliance of the above mentioned instructions of the government within a period of 15 days positively.

A report of the action taken may also be forwarded to the Government immediately.
