Subject: Validity of qualification i.e. Diploma/Degree issued by professional bodies/institutions recognized by MHRD with permanent recognition upto 31.05.2013.

Sir/Madam,

I am directed to invite your attention to the Judgment of the Hon'ble Supreme Court dated 13.08.2019 passed in Miscellaneous Application No. 2367 of 2018 in Civil Appeal No. 17922 of 2017 titled as ***Institution of Mechanical Engineers (India) through its Chairman Vs. State of Punjab and others***, wherein the Court decided the issue of equivalence of certificates issued by IME, Mumbai to a Degree in Mechanical Engineering. In para 44 and 45 of the Judgment, it was held as follows:

"44. However, the fact remains that the equivalence to the Certificates awarded by the appellant was granted by the MHRD in consultation with AICTE upto 31.05.2013 as is evident from Notification dated 06.12.2012 issued by the Central Government and Public Notice issued by AICTE in August, 2017. These communications also indicate that all those students who were enrolled upto 31.05.2013 would be eligible for consideration in accordance with MHRD office memorandum/order in course. Though we have laid down that the Certificates issued by the appellant on successful completion of its bi-annual examination to its Members cannot be considered to be equivalent to a Degree, an exception needs to be made in favour of students enrolled up to 31.05.2013 and benefit in terms of the Notification dated 06.12.2012 and Public Notice as aforesaid ought to be extended to such candidates. The candidates had opted to enroll themselves so that they could appear at the examinations conducted by the appellant under a regime which was put in place by the Central Government itself and the course content as well as the curriculum were reviewed by the AICTE. However, the aforementioned Notification and Public Notice were clear that after 01.06.2013 the concerned orders granting equivalence would cease to have any effect.

45. In the circumstances we do make an exception in favour of such candidates enrolled upto 31.05.2013 and declare that the conclusions drawn in the present matter will apply after 01.06.2013. The Certificate awarded by the appellant to such candidates enrolled upto 31.05.2013 shall be considered equivalent to a Degree in Mechanical Engineering for the purpose of employment in Central Government."

In the light of above Judgment, the State Government had issued instructions vide letter No. 42/703/2019-5GS-I, dated 31st January, 2020, whereby it was decided to consider the qualifications i.e. Diploma/Degree (Civil) Engineers, awarded by Institution of Civil Engineers, Ludhiana (Punjab), valid only for those students who were enrolled upto 31.05.2013.

The matter has been further considered by the State Government in view of the cited Judgment of Hon'ble Apex Court in Institution of Mechanical Engineers (India) (supra) and it has been decided to extend the benefit of qualifications i.e. Diploma/Degree awarded by all the professional bodies/institutions which stood duly recognised by MHRD at the time of issuance of notification dated 06.12.2012, with permanent recognition upto 31.05.2013, similar to IME and were covered by the said notification dated 06.12.2012 as well as the public notice issued by AICTE on 31.10.2017 in pursuance to its emergent meeting held in August, 2017.

The State Government has therefore decided that qualifications i.e. Diploma/Degree awarded by the professional bodies/institutions duly recognized by MHRD upto 31.05.2013 (**copy enclosed**) are valid only for those students who were enrolled upto 31.05.2013.

The above instructions may be brought to the notice of all concerned for its compliance in the letter and spirit.

Yours faithfully,

Subject: Regarding Name of Courses & List of Professional Bodies approved by
MHRD/AICTE up to 31.05.2013.

Sir,

I am directed to refer to your letter No Memo No .01/Equiv dated 16.03.2021 on the subject mentioned above and to forward herewith the list of Institutions and Courses recognized by Ministry of Education for the purpose of recruitment in Central Government Jobs only.

2. It is also informed that this Ministry vide its O.M. No. 11-15/2011-AR (TS.II) dated 06.12.2012 (copy enclosed) had withdrawn granting of further recognition & equivalence of Courses conducted by the Professional Bodies for the purpose of employment in Central Government jobs. Further, all those students who enrolled with the institutions with permanent recognition upto 31.05.2013 were considered eligible in accordance with MHRD office memorandum/order in force pertaining to their course for equivalence in Central Government jobs. However, these concerned orders ceased to have effect from 01.06.2013 onwards. After 31.05.2013, based on the review by the regulator i.e. AICTE, a decision on continuation of the certification of equivalence of degree/diploma is to be taken by statutory regulator. The OM dated 06.12.2012 has been challenged by various Professional Bodies and the matter is sub-judice before the Hon'ble High Court of Delhi.

3. The directions with respect to the AICTE public notice is awaited from the Hon'ble Supreme Court. Further, the Hon'ble Supreme Court of India, in its judgment on MA No. 2367 of 2018 [Institution of Mechanical Engineers (India) Vs. State of Punjab & Ors] dated 13.08.2019 has laid down that 'What is the value of that certificate will be determined by each employer as and when the occasion arises. The appellant would certainly be entitled to award Certificate of Membership to its Members. What weightage the Certificates must have is for the individual employer to consider in a given case. The concerned employer may attach due importance to such Certificates while considering the worth and ability of the concerned candidates but to say that the Certificates are equivalent to a degree and as such all the candidates who hold such Certificates are entitled to derive the advantages which a degree holder can, is completely a different issue'.
