Namaskaram Sir,

I write in reference to the D.O. letter dated 2 December 2022 from the Joint Secretary Department of Personnel & Training Govt of India an Office Memorandum issued by that Department informing all States/ UTs and Ministries in Govt of India about the In-service Training Programme for All India Service officers (IAS, IPS & IFoS) for the year 2023. A copy of the Memorandum is attached here for your reference.

As you may observe from the list of institutes on page 2 of the Office Memorandum, Isha Foundation, Coimbatore has been accredited by DoP&T for offering a programme titled, 'Inner Engineering Leadership'.

Briefly, Isha Foundation is a non-profit organization dedicated to raising human consciousness and fostering global harmony through individual transformation. The Foundation is guided by Sadhguru - Yogi, Mystic, Padma Vibhushan awardee and visionary - who aims to offer the yogic science of inner well-being to every human being so that they can reach the peak of their potential.

Inner Engineering Leadership programme designed by Sadhguru offers tools for self-transformation that help participants engineer their body and mind from the inside out leading to a life of joy and fulfillment. It has been specially designed for Government officials holding leadership positions who stand to gain enormously from the timeless yogic wisdom woven with insights on leadership. It not only empowers participants to achieve an inner balance that translates into clarity, creativity, efficiency and harmony at the workplace, but to also realize their boundless potential. Furthermore, the program is designed to enable participants to operate beyond the limited lens of ambition and embrace an all-inclusive vision.

Isha Foundation has been conducting this programme for All India Service officers and other service officers for the last 8 years and several hundred officers have benefitted from this programme so far. A programme brochure has been attached to this email for your reference and dissemination.

In order to facilitate the participation of IAS officers across several Departments of the Government of Haryana, both from the field offices and Headquarters, it would be helpful if a general circular is issued to all Heads of Departments informing them about the Training programme sponsored by DoP&T. We shall be grateful if a line of acknowledgment is issued.

We look forward to your support in the matter.

Yours sincerely,

About Isha Yoga Center, Coimbatore

The program will be held at the Isha Yoga Center, Coimbatore. Located at the foothills of the Velliangiri Mountains in Tamil Nadu, the center is a sacred space dedicated to fostering inner transformation. Established by Sadhguru, the Yoga Center is unique in offering all four major paths of Yoga – *kriya* (energy), *gnana* (knowledge), *karma* (action), and *bhakti* (devotion). The beautiful architecture and refined aesthetics of the ashram, envisioned and designed by Sadhguru, exude a serene ambience and, paired with wholesome and nutritious vegetarian meals, provide a supportive environment for you to shift to healthier lifestyles, seek a higher level of self-fulfillment and realize your full potential.

Program participants can experience the lush surroundings of the Yoga Center during outdoor sessions and walks.

✦ This program should be made mandatory for every civil servant. For one thing, it teaches you the true meaning of integrity, what it means to do your best for everybody, in whichever job you may be in. It also gives you the discipline that you need to be able to touch other people's lives. So it's been a remarkably useful program.

– Shri. Gurucharan (IAS, KN 1982)

✦ Out of my twenty-four years of service, I have been a trainer for eight years. I am a leadership trainer, so I do things that are reflective in nature. But this is not reflective, this is dwelling deep within, and that's the clincher for me as far as this program goes. The depths that you're trying to take us to within ourselves, and that you've been successful in doing it is the real USP of this program.

– Shri. Praveen Kumar Sinha (IPS, PJ 1994)

✦ It has generated very strong confidence that whatever we want to do, we can do; everything is within our reach. And that though this life is about joy, it is much more than joy. It is much more about working to one's fullest efficiency, realizing our full potential, and becoming aware of all that we can do to make this world happy, lovable and nice. It has also given a new meaning and a purpose to life.

– Shri. Rajendra Kumar Tiwari (IAS, UP 1985)

✦ It's been a wonderful experience of five days. I would say, experientially, I feel more joy, I feel more centered, I feel more spontaneous and I certainly feel more empowered. It has helped me to touch the core of my being in a very fundamental way. The whole experience of doing a meditative process under the guidance of Sadhguru, the whole Shambhavi Mahamudra Kriya and the entire experience here has really helped me feel my inner being.

– Smt. Manisha Verma (IAS, MH 1993)
