Subject: 10 Days Left! CALL FOR NOMINATIONS - 17th CIDC VISHWAKARMA AWARDS 2026!

===== Forwarded message =====

Dear Sir/Ma'am

We are pleased to announce the **Call for Nominations** for participation in **17th CIDC Vishwakarma Awards 2026**, a premier award ceremony for the Indian Construction Industry.

Please find enclosed the **Brochure for 17<sup>th</sup> CIDC Vishwakarma Awards 2026**. You may also visit our website [www.cidc.in](http://www.cidc.in) at URL <http://www.cidc.in/vishwakarma2nd-1.html> to download the same along with the Guidelines and catch a glimpse of the previous year's awards ceremony and the list of awardees.

We request you to carefully go through the section "**Important instructions for submitting the nomination**" before submitting your application (Page 9 - 11 of Guidelines attached).

Nominations in all categories are welcome and it may kindly be noted that entries close on **31<sup>st</sup> October 2025**. We request you to send your award Application duly filled up to the Award Secretariat in hard copy on or before the last date.

We also request you to kindly facilitate the dissemination of this information in the construction fraternity and amongst your stakeholders to make this event broad based and all inclusive.

For any further clarifications, kindly send us your query on [cidc.ho19@gmail.com](mailto:cidc.ho19@gmail.com)/[cidcvks@gmail.com](mailto:cidcvks@gmail.com) or you may speak to the any CIDC Team VKA members on 011- 49403818, 41619841, 46520630, 26489992.

## GUIDELINES

### 17<sup>th</sup> CIDC VISHWAKARMA AWARDS 2026 (10<sup>th</sup> April 2026) CALL FOR NOMINATIONS | LAST DATE FOR ENTRIES – 31<sup>st</sup> October 2025

**WOMEN ARE ENCOURAGED TO APPLY IN ALL CATEGORIES!**

As we progress on the road to create a robust, sustainable built environment and a more vibrant construction industry, the mantra of the Award remains "Creating replicable best practices"!

We are now pleased to announce the Call for Nominations for 17<sup>th</sup> CIDC Vishwakarma Awards 2026!

The following changes are incorporated this year:

1. **Adherence to best practices:** The adoption of best practices and their relative degrees of practice on the site will determine the marking for organizations. Last three years figures to be considered. Proof of accomplishment is a must in all cases. DURING EVALUATIONS, as well as the entire process, DUE COGNIZANCE WILL BE TAKEN OF THEIR IMPLEMENTATION BOTH IN LETTER & SPIRIT by the JURY.
2. **Post Award Evaluations:** Drawing from point (1) above, these will be voluntary. The applicants/recipients are encouraged to undertake post award evaluations for added advantage
3. **E-Interactions / Management Interactions / Site visits:** Non participation of Senior Management/ Decision Makers, wherever specified will lead to low scores for the participants.
4. **Award Presentation :** It is strongly advised to be present in person to receive the award especially in all individual categories.

The application criteria have also undergone certain modifications along with the categories and we request you to kindly go through the pages to have a deeper understanding of the award process this year!

The revised guidelines, instructions for all categories are hosted on our website: [www.cidc.in](http://www.cidc.in)

#### The 17<sup>th</sup> CIDC Vishwakarma Awards 2026 (Background)

The 'CIDC Vishwakarma Awards' are inspired by the spirit of construction and creation patronized by Lord Vishwakarma, the ruling deity of construction practices in India. Each year, this event is hosted in March by CIDC, the apex body that's dedicated to work relentlessly towards promoting best practices within the Indian Construction Industry.

At the Annual CIDC Vishwakarma Awards, the work and achievements of individuals and organizations are recognized and applauded. These awards are an embodiment of encouraging truly successful efforts that have made a mark on the industry in terms of delivering better outputs & processes and creating higher benchmarks for the industry to help in nation building.

The 'CIDC Vishwakarma Awards' have become the epitome for motivating individuals and organizations to raise their performance in their specific domains leading to significant contribution towards the growth & development of the Indian Construction Industry.

Applications are short listed based on their conformity to the guidelines & SOPs' issued by CIDC and information furnished by nominees for specific categories. The recipients are finalised based on the scrutiny of the applications, review of reports by the Jury, interviews, and site visits.

This is a First Information Booklet. Guidelines are subject to change at the discretion of the Jury

CIDC/VKA/AB/G2026/05

### Objectives of the Awards

To recognize and honour valuable contributions and work of the Indian Construction Fraternity that has significantly enriched the construction domain and has helped bring about a positive change in our construction practices.

  - d. Impact on the environment
  - e. Deployment of Green Technologies
  - f. Recycling of material
  - g. Quality of archiving
  - h. Overall Social impact created by the project
  - i. Success of CSR and R&R initiatives, if any
  - j. Evolution/ ingress/ induction of new/ frontier technology
  - k. Health, Safety & Environment measures adopted during the execution phase

**"Project Completion in all respects and not just own Scope of Work will entitle the project for award".**

#### 8. Achievement Award Best Pre-Engineered / Pre-Cast Building : Code H

**Objective:** To recognize excellence in construction of structures built by adoption of pre-fabricated & Precast building technology:

- Only projects completed between 1<sup>st</sup> January 2022 and 31<sup>st</sup> October 2025 shall be eligible.
- Only completed projects shall be eligible.
- Completion Certificate issued by respective Authority (Desirable) and No Objection Certificate (NOC) from the Project Owner to be submitted along with the nomination application.
- Projects with 80% financial completion or where project has been taken over by the client will also qualify.
- It is an integrated award for all project partners. Trophy is retained by the project owner and a certificate is given to all the project partners. However, nomination may be submitted by any partner through the owner.
- Projects to be evaluated on the following parameters
  - a. Least Time and Cost overrun
  - b. Quality of archiving
  - c. Engagement of pre-engineered concept with detailed explanation about its choice over the conventional method
  - d. Quality of manpower engaged including Engineering/ Management/ Skilled construction workers
  - e. Impact on environment/ Deployment of Green Technologies/ Recycling of material/
  - f. Overall Social Impact created by the project
  - g. Success of CSR and R&R initiatives, if any
  - h. Evolution/ ingress/ induction of new/ frontier technology

#### 9. Achievement Award for Best Restored / Retrofitted / Rehabilitated Structures – Code I

**Objective:** to recognize civil structures that have been restored / retrofitted / rehabilitated to provide them an extended life and ensure the users keep benefitting its functionalities.

- Only fully completed and functional structures will be eligible
- Minimum age of the structure should be 15 years as on 31<sup>st</sup> October 2025.
- Nomination to be made by Owner / Agency
- Projects to be evaluated on the following :
  - a. Least Maintenance Cost
  - b. Engagement of new / innovative techniques
  - c. Quality of manpower engaged including Engineering/ Management/ Skilled Construction Workers
  - d. Impact on environment
  - e. Deployment of Green Technologies / Recycling of material
  - f. Effectiveness of handling waste disposal systems – Liquid & Solid
  - g. Quality of archiving
  - h. Up gradation / addition of new features for better maintenance
  - i. Availability of a comprehensive maintenance plan and schedule.

#### 10. Achievement Award for Construction Health, Safety & Environment – Code – J

**Objective:** To recognize company's respect for human life and well-being as reflected in the practices regarding Health, Safety & Environment in project.

- Only the running / in execution stage projects shall be eligible for participation
- The project should be at least 25% and not more than 70% complete as on 31<sup>st</sup> October 2025, to qualify for this category. Consolidated Monthly Progress Report as on 31<sup>st</sup> October 2025 to be submitted along with the nomination application.
- Nomination can be made by project organization or safety organization
- The proposal will have to be certified by the Project Head of the organization
- Existence of company HSE Policy and Plan
- Adoption of safety manual which is based on the best practices
- Setup of a Safety organization with clear responsibility for construction safety and occupational health management, particularly in a complex project, multi-employer site for the management of the HSE Plan (To prevent work related illness, injury, disability or death)
- Professional management of the HSE Plan
- Provision of systematic safety training to all participating partners' workforce and supervisors
- Implementation of the HSE plan including complete Safety Statistics of the project from inception
- New features, new technologies or methodologies adopted for HSE

**11. Achievement Award for Sustainable Materials / Practices / Process (Use of Renewable Energy/ Green Hydrogen and other sustainable practices): - Code K**

**Objective:** To recognize organizations that are advocating and promoting usage of Clean Energy in their processes and practices leading to contribution in India achieving NET ZERO.

- Only projects completed between 1<sup>st</sup> January 2022 and 31<sup>st</sup> October 2025 shall be eligible.
- Organization must have patented/ deployed/ commissioned demonstrable models for usage that are commercially viable
- Pilot projects will not be considered in this category
- Projects to be evaluated on the following:
  - Contribution to NET ZERO
  - Time and Cost overrun
  - Quality of archiving
  - How effective will be the technology/ product/ process to all stakeholders
  - Quality of manpower engaged including Engineering/Management/ Skilled Construction Workers
  - Reduction of emissions as per usage/ Impact on environment
  - Overall Social/ Economic impact created by the project

**12. Achievement Award for Research & Development in Construction Domain – Code L**
