*****

Sir/Madam,

I am directed to invite your kind attention to the Government's instructions No. 64/09/2001-2Vig II dated 12.05.2015, wherein guidelines were issued regarding the conduct of Special Checking of development works by the Technical Wing of the State Vigilance & Anti-Corruption Bureau, Haryana. Such works for Special Checking are selected from the consolidated list of ongoing works submitted by various Departments/Boards/Corporations, as well as from complaints/S.I.Rs or as directed by the competent authority/ADs.

2. It has come to the notice of the State Government that in some cases, officers/engineers of executing departments have conveyed to higher authorities/district administration/public representatives/general public that further execution of works, or release of payments to contractors, has been stopped on the ground that the matter is under enquiry in the Vigilance Department, or due to Special Checking by the SV&ACB team.

3. It is hereby clarified that such arguments are misleading, as no such directions have ever been issued by the Vigilance Department to halt execution of works during or after Special Checking by the SV&ACB team. Execution of works and release of payments for completed or ongoing works shall continue to remain the sole responsibility of the concerned executing department, in accordance with the terms of the contract agreement and applicable norms. However, decision in such matters should be taken at the level of Administrative Secretary concerned.

4. These instructions may please be brought to the notice of all concerned for strict compliance. Any violations of these instructions would be viewed seriously.

Yours faithfully

Superintendent, Vigilance-I
