The Academy is launching a focused capacity building programme titled "AI Champion Programme for Digital Transformation", scheduled to be held from 18th to 22nd August 2025. This programme is aimed at equipping senior civil servants with the knowledge and tools to lead AI-driven innovations in governance and public service delivery.

To ensure diverse and high-impact participation, it is requested to kindly nominate up to two officers from the All India Services currently serving in your State who have a demonstrated interest in digital governance, emerging technologies, or data-driven decision-making.

In addition, we seek the nomination of one officer from your State's Administrative Training Institute or another suitable capacity building institution, who can be developed as a master trainer for cascading such training within the State.

It will be helpful, if the nominations could be shared by 25th July 2025, to enable smooth planning and coordination. Parallely, AIS Officers may be sensitised of the several In-Service Training programmes conducted by the Academy, which can also be seen on the academy website and DoPT portal and register themselves based on their interest.
