Dear Sir/Madam,

Greetings from the National One Health Mission!

As highlighted during the first State and Union Territory (UT) engagement workshop held on 09 June 2025 at Vigyan Bhawan, the Office of the Principal Scientific Adviser has launched a **Dashboard for National One Health Mission** (<https://www.psa.gov.in/oneHealthDashboard>); a centralized platform to showcase One Health-related activities undertaken across States and Union Territories.

To enrich and expand this repository, you are requested to kindly share details of One Health relevant initiatives (Suggested template attached) and actions from your State. A more interactive version of the dashboard is under development, which will eventually enable direct data entry and real-time updates by the states/UTs.

Please do not hesitate to contact us should you require any further discussion or clarification on any of these points. We would request your inputs by **August 15, 2025**.

We eagerly anticipate your valuable input and continued collaboration.

Thanks and regards
Sangeeta
