Subject:- Regarding Transfer of Officers/Officials concerned accused in Trap Cases/Raid Cases.

Sir/Madam,

I am directed to say that it has come to the notice of Government that officers/officials who are apprehended red-handed in trap cases by the State Vigilance & Anti-Corruption Bureau, and who are subsequently released on bail during the pendency of trial, continue to remain posted in the same station where the prosecution/trial of the case registered against them is pending. Continuance of such officers/officials in the same station carries a strong likelihood of their influencing, intimidating or exerting pressure upon the complainant or prosecution witnesses, thereby affecting the fair and impartial conduct of judicial proceedings and enabling them to derive undue advantage in the pending cases. This principle applies equally to those who are presently lodged in judicial custody and shall be released on bail in the future.

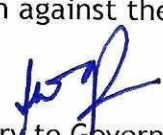

2. The matter has been considered by the Government at length and it has been decided as under:-

(i) Officers/officials are apprehended red-handed in trap cases/raid cases and are on bail shall not be posted against the same post and in the same station.

(ii) Such officers/officials shall be transferred to a station away from the concerned jurisdiction, preferably beyond the adjoining boundary districts, so as to ensure a fair and impartial trial and to prevent any possibility of undue influence being exercised upon the complainant/witness.

(iii) If such an official belongs to district cadre, he/she shall be transferred to another distant station within the district.

3. These instructions must be brought to the notice of all concerned for strict compliance. Any laxity in this regard shall entail action against the erring.
